Dear Sir / Madam,

we are addressing you on behalf of the DECAMAS project („Developing Career Management Skills among BH Students“), funded by the European Union through the Instrument for Pre-accession Assistance and implemented by International Burch University and the University "December 1, 1918." in Alba Iulia, Romania with a request for information regarding your experiences related to student internships.

The research aims to provide insight into the exact areas where students and recent graduates lack competences and skills in order to, based thereon, create a set of educational modules that, in cooperation with leading companies and other universities, will be offered to all students and post-graduates for their own professional and personal development.

Therefore, we kindly ask of you to fill this survey (link: <https://forms.gle/NTd4bWvZQqO1q4Du5>) and forward it to your members for the same purpose.

Please do not hesitate to contact us related to this research or the project through email decamas@ibu.edu.ba or phone number 033/944-472.

Sincerely,
DECAMAS project team

Poštovani,

ovim putem Vam se obraćamo ispred DECAMAS projekta („Razvijanje vještina upravljanja karijerom među bh. studentima – Developing Career Management Skills among BH students) kojeg finansira Evropske unija pretprijetnim sredstvima i implementira Internacionalni Burč univerzitet sa partnerom Univerzitetom "1. decembar, 1918." u Alba Iuliji, u Rumuniji sa molbom za pružanje informacija u vezi sa Vašim iskustvima u vezi sa studentskim praksama.

Istraživanja ima za cilj da pruži uvid u tačne oblasti u kojima studentima i diplomantima nedostaju kompetencije i vještine te, na osnovu istih, izraditi set edukativnih modula koji će, u saradnji sa vodećim kompanijama i drugim univerzitetima, biti plasirani svim studentima i dodiplantima radi usavršavanja.

Prema tome Vas molimo da ovu anketu (link: <https://forms.gle/NTd4bWvZQqO1q4Du5>) ispunite te Vašim članovima prosljedite u istu svrhu.

Molimo da budete slobodni nas kontaktirati u vezi sa ovim istraživanjem, odnosno projektom na email decamas@ibu.edu.ba ili broj telefona 033/944-472.

S poštovanjem,
DECAMAS projektni tim
