

Pozivnica za učešće
AgriTech Summit Sarajevo

Sarajevo, 06. septembar 2023. godine

Poštovani,

Sa zadovoljstvom vas obavještavamo o nadolazećem AgriTech Samitu 2023, koji će biti održan **21. septembra 2023.** godine u Sarajevu.

Tom prilikom pozivamo Vas da nam pridružite i učestvujete na najuzbudljivijem događaju u svijetu poljoprivrede. Nakon izvanrednog uspjeha prošlogodišnjeg AgriTech Samita, gdje smo okupili više od 250 stručnjaka i strastvenih zaljubljenika u poljoprivredu, ovogodišnje izdanje pružit će još spektakularnije i informativnije iskustvo. AgriTech Samita se vraća ove godine sa značajnim naglaskom na ključnom pitanju: "Kako vještačka inteligencija transformiše poljoprivredno-prehrambeni sektor?".

Zamislite budućnost u kojoj vještačka inteligencija, napredni uređaji, precizni tehnološki alati i sofisticirani robotski sistemi surađuju sa farmerima i kompanijama kako bi stvorili profitabilniju, efikasniju, sigurniju i ekološki održiviju poljoprivredu. Na AgriTech Samitu 2023, donosimo dinamične interaktivne diskusije i prezentacije najnovijih tehnoloških inovacija u poljoprivredi, istražujući kako će vještačka inteligencija oblikovati budućnost ovog sektora. Također, razmotrit ćemo ključne izazove sa kojima se sektor suočava u doba tehnološkog napretka.

Ovo je prilika da se pridružite liderima u poljoprivredi, inženjerima, istraživačima i tehnološkim stručnjacima kako bismo zajedno oblikovali budućnost poljoprivrede. Registracije su otvorene do **19. septembra**, do 12 časova, putem web stranice agritech.ba.

Posebno želimo naglasiti otvorenu priliku za kompanije koje žele sudjelovati u ekskluzivnom "AgriTech Summit Business Lounge" B2B segmentu. Ovdje Vas čeka izvanredna prilika za umrežavanje i istaknutu prezentaciju Vaše kompanije. Prijave za ovaj dio AgriTech Samita također su dostupne putem [općeg obrasca za registraciju](#).

Radujemo se Vašem dolasku na AgriTech Summit 2023.

S poštovanjem,

Organizacioni tim AgriTech Summit 2023

Invitation for participation
AgriTech Summit Sarajevo

Sarajevo, 06th Septembar 2023.

Dear,

We are pleased to inform you about the upcoming AgriTech Summit 2023, which will be held on September 21, 2023, in Sarajevo.

On this occasion, we invite you to join us and participate in the most exciting event in the world of agriculture. Following the extraordinary success of last year's AgriTech Summit, where we gathered more than 250 experts and passionate agriculture enthusiasts, this year's edition promises an even more spectacular and informative experience. AgriTech Summit returns this year with a significant focus on the key question: "How is artificial intelligence transforming the agriculture and food sector?"

Imagine a future where artificial intelligence, advanced devices, precise technological tools, and sophisticated robotic systems collaborate with farmers and companies to create a more profitable, efficient, secure, and environmentally sustainable agriculture. At AgriTech Summit 2023, we bring dynamic interactive discussions and presentations of the latest technological innovations in agriculture, exploring how artificial intelligence will shape the future of this sector. We will also address the key challenges that the sector faces in the era of technological advancement.

This is an opportunity to join leaders in agriculture, engineers, researchers, and technology experts to collectively shape the future of agriculture. Registrations are open until September 19, at 12 PM, through the website agritech.ba.

We would like to emphasize the open opportunity for companies to participate in the exclusive "AgriTech Summit Business Lounge" B2B segment. Here, you will find an outstanding opportunity for networking and showcasing your company. Applications for this part of the AgriTech Summit are also available through [the general registration form](#).

We look forward to your attendance at the AgriTech Summit 2023.

Sincerely,

Organizing Team of the AgriTech Summit 2023
