بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

يَا أَيُّهَا النَّاسُ كُلُوا مِمَّا فِي الْأَرْضِ حَلَالًا طَيِّبًا وَلَا تَتَّبِعُوا خُطَوَاتِ الشَّيْطَانِ إِنَّهُ لَكُمْ

عَدُوٌّ مُبِينٌ 168

صدق الله العظيم

“O mankind, eat from whatever is on earth [ that is ] lawful and good and do not follow the footsteps of Satan. Indeed, he is to you a clear enemy”

Ayah 168

## **Welcome to London Halal Forum ...**

London Halal Forum is an international platform for worldwide halal strategies discussion and implementation with global industry stakeholders. With a strong emphasis on excellence and innovation, the forum aims to promote halal industry standards, foster best practices, and attract investments to the rapidly growing halal sector. Serving as a fundamental hub for two days, it unites key stakeholders, from producers to retailers, to address challenges and highlight opportunities in the global halal market.

Acting as a bridge between East and West, the forum embodies London's unique position as a strategic hub of diverse economies, cultures, and markets. It offers a space where global halal expertise converges with European innovation and regulation — facilitating meaningful dialogue, partnerships, and alignment across the halal value chain.

With its deep-rooted history and global reputation, London is not just a host city — it is a gateway. A gateway for ideas, for trade, for standards, and for collaboration. By bringing the halal conversation to London, the forum reinforces the city's status as a leading international hub for halal excellence, and a launching point for new global initiatives that uphold the values of halal: ethics, quality, sustainability, and integrity.
